

DIVISION OF EMERGENCY MANAGEMENT AND HOMELAND SECURITY MEMORANDUM

TO: Vermont's Special Operations Community
FROM: Christopher Herrick, Director, Division of
Emergency Management and Homeland Security
DATE: January 25, 2016
SUBJECT: Homeland Security Grant Program (HSGP) –
Special Operations Capabilities Enhancement
Grant
CFDA: 97.067 Homeland Security Grant Program

Initial Announcement

The Division of Emergency Management and Homeland Security (DEMHS) is seeking applications for the items listed below. This funding, provided through the Homeland Security Grant Program (HSGP) Program, will allow State of Vermont Recognized Special Teams, i.e., bomb, hazmat, USAR, etc., and local agencies with formal agreements with the Department of Public Safety for assets that can be utilized during an emergency or incident to enhance their Capabilities. DEMHS application review will be in coordination with the Special Operations Working Group,

Please note that this funding opportunity is for Federal Fiscal Year 2016, which will not be awarded to the VT DPS DEMHS until mid-fall, calendar year 2016. FEMA has modified the way in which States apply for funding which requires States to provide detailed information as to who the subrecipients of the funding will be at the time of application. This changes our methodology of how we award grants and causes us to release an RFP, review applications from local and state entities and make decisions on potential subgrants prior to VT DPS DEMHS applying for the funding. This means that as a local or state entity, you will not receive a grant agreement for items approved for purchase until mid-fall, calendar year 2016 when we receive the funding. The grant agreement will need to be executed **BEFORE** any equipment can be ordered or purchased, as is currently the practice.

DEMHS will be holding four outreach meetings on the dates outlined below to provide program updates, answer questions on allowable items for application and to assist in the development of applications.

Outreach Session Dates, Times and Locations:

- February 1, 2016, 6:30 p.m., Williston Town Hall, 7900 Williston Road, Williston
- February 2, 2016, 6:30 p.m., Rutland County Sheriff's, 88 Grove Street, Rutland
- February 8, 2016, 6:30 p.m., Royalton State Police Barracks, 2011 VT RT 107, Bethel
- February 9, 2016, 6:30 p.m., Derby State Police Barracks, 35 Crawford Road, Derby

*** Applications will not be reviewed unless all requirements are met at the time of application review. This includes signatures by all appropriate parties on the cover page; assistance in completing the application can be obtained by contacting Jessica Stolz, Jessica.stolz@vermont.gov or (802) 241-5094. ***

The Special Operations Working Group will consider requests for replacement equipment to enhance the Core Capabilities of the subrecipient, including personal protective equipment. Equipment must be listed on the Federal Authorized Equipment List (AEL). Applications will be reviewed for geographical coverage and current placement of equipment.

GRANT APPLICATION GUIDELINES & REQUIREMENTS

Evaluation criteria can be found on page 19. No application will be reviewed, if it is not complete and all items submitted by the time of application review by the Working Group.

Application Guidelines:

Departments that wish to apply for HSGP funding must review the Guidelines and Requirements outlined below prior to completing the application documents. All application packages must include the following documents:

A. Vermont Subgrant Application

- i. See instructions on pages 6-8 completing the application.
- ii. Please make sure to complete, sign the cover page, initial and date page 5 for submittal on HSGP Eligibility Requirements.
- iii. The Application can be found by accessing the following link:
www.hsu.vermont.gov/funding

B. Cash Advance

- i. If your project is too large for your agency to accomplish in a Reimbursement (after-the-fact) in arrears of expenses, you may request pre-payment on a "Limited Cash Advance" basis. Check the box in 8a and provide justification for consideration. A possible justification may be a large required purchase by a low-budget agency or organization. Large purchases as the sole justification will not be approved.
- ii. You must provide a copy of your Agency's Cash Advance Policy if you are requesting a Cash Advance.

C. Quotes

- i. Three (3) quotes must be submitted for all single items valued at more than \$100.00 per unit. Because the Code of Federal Regulations, 2 CFR part 225, requires full and open competition while procuring grant funded equipment, a VT DPS DEMHS sub-recipient must obtain and provide multiple quotes for any equipment purchased with federal funds. Geographical preference and/or sole source will not be sufficient to comply with the competitive procurement requirements.

D. Memorandum of Endorsement

- i. A memorandum of endorsement from a public safety agency within the community applying must be included in the application package providing acknowledgement that the primary purpose of the project is to enhance public safety communications within the community, as outlined in the application.
- ii. This is only necessary if the entity applying for the funds is not a public safety agency within the community where the equipment is going to be located.

E. Completed HSGP Property Records List

- i. The Property Records List should include all Homeland Security Grant Program funded purchases that have not exceeded their useful life. If you are requesting new equipment, no Property Records List is required.
- ii. The Property Records List should include all items you are seeking replacement of, regardless of whether or not they were purchased with grant funds.

- iii. All fields must be completed, including location. Location should be specific location of the equipment, not just the name of the department. If location is a vehicle, please include the vehicle plate number and use of the vehicle.
- iv. A template for the Property Records List can be found by accessing the following link: www.hsu.vermont.gov/funding.

F. Department Roster

- i. A complete department roster should be provided including name, rank and call number, where applicable.

G. FCC License, as applicable

- i. A copy of your valid narrowband FCC License or application
- ii. If a narrowband license has been applied for but not received proof of the license, application must be provided with the application documents. In this scenario the Vermont Communications Board will review the request; however, if the request is approved an award will not be issued until a copy of the approved narrowband FCC license is provided. Ask your radio vendor or visit www.fcc.gov for more information.

H. Procurement Standards

- i. Subrecipients will use their own procurement procedures which reflect applicable local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in **2 CFR part 200** (<http://www.ecfr.gov/cgi-bin/text-idx?SID=289fd4edcc40f3b0cb6a4bd62aa39dbf&node=pt2.1.200&rgn=div5>)

- ii. Before commencing work on this Agreement the Party must provide certificates of insurance to show that the following minimum coverages are in effect. Signature of this agreement provides for compliance with certification requirements under 10 CFR Part 601 "New Restrictions on Lobbying," and 10 CFR Part 1036 "Government wide Debarment and Suspension (Nonprocurement) and Government wide Requirements for Drug-Free Workplace (Grants)." The certifications shall be treated as a material representation of fact upon which reliance will be placed when the Department of Public Safety determines to award the covered transaction, grant, or other agreement.

1. LOBBYING

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all sub awards at all tiers (including subcontracts, Agreements, and contracts under grants, loans, and cooperative agreements) and that all Subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

2. DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

(b) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

Covered transactions include procurement contracts for goods or services equal to or in excess of \$25,000 and non-procurement transactions such as grants or cooperative agreements. By signing this Agreement, the Subrecipient agrees it will verify the status of potential vendors prior to any federal funds being obligated to prevent any debarred or suspended agencies or vendors from receiving federal funds. The Subrecipient can confirm the status of potential vendors by conducting a search on the System for Award Management (SAM) website (<https://www.sam.gov/portal/public/SAM/>). At this time, DPS does not require Subrecipients to submit proof of verification with any reimbursement request; however, the Subrecipient must maintain this information, in the form of a screen print, with other grant documentation. This documentation shall be available for review per Attachment C, paragraph 10.
