**What:** A Conference on

In-place Recycling for State, Local and Federal Agency  
Officials, Contractors, and Academia

**Where:** Sheraton Burlington Hotel and Conference  
Center

Burlington, Vermont

**When** June 14-16, 2016

**More information available at**

<https://www.pavementpreservation.org/northeast-2016/>

# 2016 Northeast States In-place Recycling Conference

## ***What is the 2016 Northeast States In-place Recycling Conference?***

The Conference is a forum of pavement professionals representing State, Local and Federal Agencies, Contractors, Suppliers, Consultants, Academia, MPO's, all working together to take advantage of the synergy to be gained from sharing information and identifying common issues for further investigation. The Conference will provide a platform for national pavement professionals to present the state-of-the-art of cold central plant and in-place recycling. Breakout sessions will be offered in which participants will be tasked with identifying issues, barriers and gaps in knowledge that are preventing increased utilization of these sustainable pavement preservation/maintenance techniques and developing a roadmap to address these issues.

## ***When and where will the Conference be held?***

The conference will be held in Burlington, Vermont starting at 12:30 p.m. on Tuesday, June 14, 2016 and concluding at 1 p.m. on Thursday, June 16, 2016 at the Sheraton Burlington Hotel & Conference Center, 870 Williston Road, Burlington, VT 05403. Registrants can make room reservations directly by contacting the hotel at (800)325-3535; use the group code "2016 Recycling Conference". The cut-off date for the reduced rate of **\$128.00**/per night is May 24, 2016.

## ***Who Should Attend?***

State, Local and Federal Agencies, Contractors, Suppliers, Consultants, Academia, and MPO's interested in sustainable, cost-effective and long lasting pavement preservation/maintenance alternatives.

## ***Site Visit***

On Wednesday conference participants will visit In-place Recycling projects. The field trip provides firsthand understanding of the flexibility, sustainability, and economy of in-place recycling. Transportation is included with conference registration.

## ***How do I Register for the In-place Recycling Conference?***

Please complete the attached meeting registration form and fax or mail to the address indicated on the form by May 14, 2016. All registrations include breakfasts, and break refreshments, starting Tuesday at 12:30 p.m. through Thursday at 1 p.m.. Lunch will also be provided on Wednesday.

## ***Sponsorship Opportunities?***

Sponsorship Opportunities are available, levels and benefits are listed below.

Silver Sponsor—	\$1,500
Acknowledged in brochure, one booth space at conference and one meeting registration	
Gold Sponsor—	\$3,000
Acknowledged in brochure, one exhibit space at conference, exhibit space or demo opportunity at field/equipment show, recognition as a co-sponsor of conference break, special recognition on web-site and two meeting registrations.	
Green Sustaining Sponsor -	\$5,500
Acknowledged in brochure, one exhibit space at conference, exhibit space or demo opportunity at field/equipment show, recognition as a sponsor of opening reception, breakfast, lunch, special recognition on web-site and four meeting registrations.	

Additional sponsorship opportunities are also available, please contact Patte Hahn at (517)432-8220 for further information.

## ***Continuing Education Credits***

This conference will qualify for approximately 1.6 Continuing Education Credits (CEU's).

U.S. Department of Transportation  
Federal Highway Administration

# 2016 Northeast States In-place Recycling Conference

*Utilizing In-place Recycling Technologies:  
Engineering, Economic and Environmental Benefits*

## **TUESDAY, JUNE 14, 2016**

### **Opening Session**

FHWA, ARRA & Vermont DOT Welcome, FHWA Program Support for In-place Recycling, Summary of FHWA & ARRA Activities

### **Programmatic Considerations**

Sustainability Considerations, Project Selection Criteria, and Performance/Life Cycle Costs (State & Local Perspective) Benefits.

### **Moderator Led DOT Roundtable Discussions**

What are you doing, why, what will it take to do more

## **WEDNESDAY, JUNE 15, 2016**

### **Technical Considerations**

Structural Design & Mixture Design

### **Specifications/Construction Operations**

Cold Central Plant, Cold In-Place Recycling, Full Depth Reclamation and Hot In-Place Recycling.

### **Field Trip Demonstrations**

## **THURSDAY, JUNE 16, 2016**

### **Utilizing In-place Recycling Technologies: Engineering, Economic and Environmental Benefits**

Break-Out Sessions

### **Break-Out Sessions Summary**

### **Agency Lessons Learned**

How Will States Implement In-place Recycling?

### **Conclusion, Summary and Adjournment**

U.S. Department of Transportation  
**Federal Highway Administration**
