2. Approval of TRORC Board Minutes from May 25, 2022

On a motion made by Commissioner Berger, and seconded by Commissioner Vallee, the May meeting minutes were approved, with one abstention.

3. Acceptance of the Unaudited TRORC Financial Reports for June, July and August 2022

A motion was made by Commissioner Jones, and seconded by Commissioner Berger, to approve the unaudited Financial Reports of June, July and August 2022.

Gregory noted that while TRORC’s fiscal year ends in June, the June financials as presented do not reflect TRORC’s final numbers for FY22. The annual audit report is not yet complete but will be shortly.

The July and August reports show that a majority of the municipal dues have been paid, as have much of the invoices for work completed through June 2022.

Chairperson Fredrickson congratulated Gregory and TRORC staff on an excellent financial year.

4. Diversity, Equity and Inclusion Presentation, Deo Mwano, Consultant

Deo Mwano of Deo Mwano Consultancy LLC gave a presentation on the challenges organizations face when having an actionable diversity, equity and inclusion strategy as well as the positive impact such a strategy can make.

5. TRORC Services Survey – preliminary results

Sydney Steinle, Planner with TRORC, shared the preliminary results received from the Services Survey which was sent to representatives of the Region's 30 Towns. The survey results will help TRORC understand the needs of the Towns and how TRORC might help the Towns address those needs. Steinle's PowerPoint slides will be sent to all Commissioners.
